

Fill in the gaps

If shame had a face	I (17) to tame (18) mind
I think it (1) kind of look like mine	You better believe that I have tried
If it had a home would it be my eyes	To beat this
Would you believe me if I said I'm tired of this	So (19) will (20) end
Well here we go now one more time	It goes on and on
'Cause I tried to climb your steps	Over and (21) and over again
I tried to (2) you down	Keep spinning around
I tried to see	I (22) that it won't stop
How low I can get (3) to the ground	'Till I step down from this
I tried to earn my way	Sick (23) carousel
I tried to tame this mind	This is a sick cycle, yeah
You (4) believe (5) I (6)	Sick cycle carousel
tried	This is a (24) cycle, yeah
To beat this	
So when (7) this end	So when will (25) end
It goes on and on	It goes on and on
Over and over again	Over and over again
Keep spinning around	Keep spinning around
I know that it won't stop	I know that it won't stop
'Till I (8) down from this for good	'Till I (26) down (27) this for good
I (9) I'd end up here,	Sick cycle carousel
never	Sick cycle carousel
Thought I'd be standing (11) I am	Sick (28) carousel
I guess I kind of thought	Sick cycle carousel
That it would be (12) than this	Sick cycle carousel
I guess I was (13) now one more time	Sick cycle carousel
'Cause I tried to (14) your steps	Sick cycle
I tried to (15) you down	
I (16) to see	
How low I can get down to the ground	
I tried to earn my way
