

Please Please

Fill in the gaps

So you (1) knew love	Please
Until you crossed the (2) of grace	Get up off (16) knees, now
And you (3) (4) wanted	Please
Until you'd (5) (6) your face	Please
And you never felt alive	Please
Until you'd almost wasted away	Leave it out
You had to win	'Cause (17) is pain
You couldn't just pass	And (18) is tough
The smartest ass	But love is not
At the top of the class	What you're thinkin' of
Your flyin' colors	September
Your family tree	Streets capsizin'
And all your lessons	Spillin' (19) down the drains
In history	Shards of glass
Please	Splinters (20) rain
Please	But you could (21) feel
Please	Your own pain
Get up off your knees, now	October, talk gettin' nowhere
Please	November
Please	December
Please	Remember, we just startin' again
Leave it out	Please
So you (7) knew	Please
How low you'd stoop to (8) (9) call	Please
And you never knew	Get up off your knees now
What was on the ground	Please
Until (10) made you crawl	'Cause love is big
So you (11) knew	Is bigger (22) us
That the (12) you keep	But love is not
You stole	What you're thinkin' of
Your catholic blues	It's (23) lovers deal
Your convent shoes	It's what lovers steal
Your stick on tattoos	You (24) I've (25) it hard to receive
Now they're makin' the news	'Cause you
Your (13) war	My love
Your (14) star	I could never
Your sermon on the mount	Believe
From the (15) of your car
