

## Fill in the gaps

I'll protect you, don't be scared			Here I am		
No (1)	what, I (2)	be there	Here I am		
I'll be gentle, I'll be light			There will come a day		
These are the words you whispered in the night			When all of this is in my past		
Here I am			And there will come a day		
Here I am			When you're out of my head at last		
Now I'm standing in the cold			I'm (8) not to fall		
Everything is (3) and done			Damn, it's such a long way down		
Atomic winter in my soul			But here I am		
From the absence of the sun			Yeah, yeah		
The only remedy I know			And now I'm standing in the cold		
Is I gotta let you go			Everything is said and done		
Here I am			Atomic winter in my soul		
Here I am			From the absence of the sun		
But (4) were you (5) I was scared			The only remedy I know		
A broken promise left me here			Is I gotta let you go		
A post-it note is what I've got			Now I'm (9)	in the cold	
It says, I'm sorry but I know you're not			Everything is said and done		
So (6) I am			Yeah		
Yeah			From the (10)	of the sun	
Here I am			The only remedy I know		
Now I'm (7) in the cold			Is I gotta let you go		
Everything is said and done			Here I am		
Atomic winter in my soul			Here I am		
From the absence of the	he sun				
The only remedy I know					
Is I gotta let you go
