

You can shine

Fill in the gaps

In a moment	Forget about the reasons why you can't in life
Everything can change	And start to try
Feel the wind on your shoulders	'Cause it's your time
For a minute	Time to fly
All the world can wait	And when you're down and feel alone
Let go of (1) yesterday	Just wanna run away
Can you hear it calling	Trust (4) and don't (5) up
Can you feel it in your soul	You know you're better than anyone else
Can you trust this longing	In a moment
And take control	Everything can change
Fly	Feel the wind on your shoulders
Open up the part of you (2) wants to hide away	For a minute
You can shine	All the world can wait
Forget about the reasons why you can't in life	Let go of yesterdays
And (3) to try	Fly
'Cause it's your time	Open up the part of you (6) wants to hide awa
Time to fly	You can shine
All your worries	Forget about the reasons why you can't in life
Leave them somewhere else	And (7) to try
Find a dream you can follow	'Cause it's your time
Reach for something when there's nothing left	Forget about the reasons why you can't in life
And the world's feeling hollow	And start to try
Can you hear it calling	'Cause it's (8) time
Can you feel it in your soul	Time to fly
Can you trust this longing	In a moment
And take control	Everything can change
Fly	
Open up the part of you that wants to hide away
