Hold On Till May by Pierce The Veil

Fill in the gaps

She sits up high	You screamed over the sound
Surrounded by the sun	And as we own this night
One million branches and she loves every one	I put (6) body to the (7) with mine
Mom and dad, did you search for me?	This love was out of control
I've (1) up here so long I'm going crazy	3-2-1 where did it go?
And as the sun went down	If I were you, I'd put that away
We ended up on the ground	See, you're just wasted
I heard the train shake the windows	And thinking about the past again
You screamed over the sound	Darling you'll be okay
And as we own this night	And she said
I put your body to the test with mine	If you were me, you'd do the same
This love was out of control	'Cause I can't take anymore
3-2-1 where did it go?	I'll draw the shades and close the door
Now don't be crazy	Everything's not alright and I (8) rather
Yes now of course you can stay here	And as the sun went down
Been in a (2) band for going on ten years	We ended up on the ground
Big deal, I guess you're official	I heard the (9) shake the windows
I only said it 'cause I know (3) it's like to feel	You screamed over the sound
Burned out	And as we own this night
It gets you down	I put your body to the test (10) mine
We've all been there sometimes	This love was out of control
But tonight I'll make you feel (4) once	Tell me where did it go?
again	
And as the sun went down	
We ended up on the ground	
I heard the train (5) the windows
