

I heard the train shake the windows

Fill in the gaps

Hold On Till May by Pierce The Veil

She (1) up high	You (17) over the sound
Surrounded by the sun	And as we own this night
One million branches and she (2)	I put your body to the (18) with mine
(3) one	This love was out of control
Mom and dad, did you search for me?	3-2-1 where did it go?
I've been up here so long I'm going crazy	If I were you, I'd put that away
And as the sun (4) down	See, you're (19) wasted
We ended up on the ground	And thinking about the past again
I heard the train (5) the windows	Darling you'll be okay
You screamed over the sound	And she said
And as we own (6) night	If you were me, you'd do the same
I put (7) (8) to the test with mine	'Cause I can't (20) anymore
This (9) was out of control	I'll draw the (21) and close the door
3-2-1 where did it go?	Everything's not (22) and I would rather
Now don't be crazy	And as the sun went down
Yes now of (10) you can (11) here	We ended up on the ground
Been in a touring band for going on ten years	I (23) the train shake the windows
Big deal, I (12) you're official	You screamed over the sound
I (13) said it 'cause I know what it's like to feel	And as we own this night
Burned out	I put your body to the test with mine
lt (14) you down	This love was out of control
We've all been (15) sometimes	Tell me where did it go?
But tonight I'll (16) you feel beautiful once again	
And as the sun went down	
We ended up on the ground
