## Hold On Till May by Pierce The Veil

I (6)\_\_\_\_\_ the train shake the windows

## Fill in the gaps

She sits up high	You screamed over the sound
Surrounded by the sun	And as we own this night
One million branches and she loves every one	I put your body to the test with mine
Mom and dad, did you search for me?	This (7) was out of control
I've been up here so long I'm going crazy	3-2-1 where did it go?
And as the sun went down	If I (8) you, I'd put (9) away
We ended up on the ground	See, you're just wasted
I heard the train shake the windows	And thinking about the past again
You screamed over the sound	Darling you'll be okay
And as we own this night	And she said
I put your body to the (1) with mine	If you were me, you'd do the same
This love was out of control	'Cause I can't take anymore
3-2-1 (2) did it go?	I'll draw the shades and close the door
Now don't be crazy	Everything's not alright and I would rather
Yes now of course you can stay here	And as the sun went down
Been in a touring band for going on ten years	We ended up on the ground
Big deal, I guess you're official	I heard the train shake the windows
I (3) said it 'cause I know (4) it's like to	You screamed over the sound
feel	And as we own this night
Burned out	I put your (10) to the test with mine
It gets you down	This love was out of control
We've all (5) there sometimes	Tell me where did it go?
But tonight I'll make you feel beautiful once again	
And as the sun went down	
We ended up on the ground
