

## Fill in the gaps

We're (1) in a trap	Mmm yeah, yeah
I can't walk out	We're caught in a trap
Because I love you too much baby	I can't walk out
Why can't you see	Because I love you too much baby
What you're doing to me	Why can't you see
When you don't (2) a word I say?	What you're doing to me
We can't go on together	When you don't believe a word I say?
With suspicious minds	We're caught in a trap
And we can't (3) our dreams	I can't walk out
On suspicious minds	Because I love you too (7) baby
So, if an old friend I know	Don't you know I'm caught in a trap
Drops by to say hello	I can't walk out
Would I still see suspicion in your eyes?	Because I (8) you too much baby
Here we go again	Don't you know I'm caught in a trap
Asking where I've been	I can't walk out
You can't see these tears are real	Because I love you too much baby
I'm crying	Don't you know I'm caught in a trap
We can't go on together	I can't walk out
With suspicious minds	Because I love you too much baby
And we can't (4) our dreams	
On suspicious minds	
Oh let our love survive	©SONY/ATV SONGS LLC
Or dry the tears from your eyes	
Let's don't let a good thing die	
When honey, you know	
I've (5) to you
