Pirate Flag by Kenny Chesney

Well I come from a little bitty
Homegrown small town
Smoky Mountains, nice place to hang around
Moonshine, that's where they make it
Put it in a jug, makes you wanna get naked
But I jumped on a greyhound bus one night
And took it all the way to the end of the line
Stepped out in the sun
When my feet hit the sand
What a long strange trip
I spent my whole life running around
Still let the wind (1)_____ (2)_____ me around
Well I dropped a note in a bottle
To a long-legged model
And I (3)_____ it in for a whole 'nother world
A pirate flag and an island girl
Well my friends back home
Think I've gone and lost my mind
Take a sip of rum
And you really would know why
Jolly (4)_____ flying on the picnic table
Blender in the kitchen, willin' and able
Don't know what makes you say "what the hell"
But when the salt air catches a (5)_____ of that sail
Something 'bout it makes her just (6)_____ dance

And she loves to dance
I spent my whole life running around...
Still let the wind kinda blow me around
Well I dropped a note in a bottle
To a long-legged model
And I traded it in for a whole 'nother world
A pirate flag and an island girl
Pirate flag and an (7)_____ girl
(Island girl)
Well I remember back home 'neath the big ol' moon
Tucked back in the woods, yeah life was good
But here we are in a local bar
And drinkin' shooting stars
I might spend my whole (8)_____ running around...
Still let the wind kinda blow me around
Well I dropped a note in a bottle
To a long-legged model
And I traded it in for a whole 'nother world
A pirate flag and an island girl
