

## Fill in the gaps

Well I come (1) a (2) bitty	And she (18) to dance
Homegrown small town	I spent my whole life (19) around
Smoky Mountains, nice (3) to hang around	Still let the wind kinda blow me around
Moonshine, that's where they make it	Well I dropped a note in a bottle
Put it in a jug, makes you wanna get naked	To a long-legged model
But I (4) on a greyhound bus one night	And I traded it in for a whole 'nother world
And (5) it all the way to the end of the line	A pirate flag and an island girl
Stepped out in the sun	Pirate flag and an island girl
When my feet hit the sand	(Island girl)
What a long strange trip	Well I remember back home 'neath the big ol' moon
I spent my (6) life running around	Tucked back in the woods, yeah (20) was good
Still let the wind kinda (7) me around	But here we are in a local bar
Well I dropped a (8) in a bottle	And drinkin' shooting stars
To a long-legged model	I (21) my whole life running
And I traded it in for a whole 'nother world	around
A pirate (9) and an island girl	Still let the wind (23) blow me around
Well my (10) back home	Well I dropped a (24) in a bottle
Think I've gone and (11) my mind	To a long-legged model
Take a sip of rum	And I traded it in for a whole 'nother world
And you really would (12) why	A pirate (25) and an island girl
Jolly (13) flying on the (14) table	A pirate flag and an island girl
Blender in the kitchen, willin' and able	A pirate flag and an island girl
Don't know (15) makes you say "what the hell"	A (26) flag and an island girl
But when the salt air catches a hold of (16) sail	A pirate flag and an (27) girl
Something 'bout it makes her just (17) dance
