

Fill in the gaps

Same Love by Macklemore & Ryan Lewis

When I was in the third grade

I thought that I was gay

'Cause I could draw, my uncle was

And I kept my room straight

I told my mom

Tears rushing down my face

She's like, Ben you've loved girls since before pre-K

Tripping

Yeah, I (1)_____ she had a point, didn't she

A bunch of stereotypes all in my head

I remember doing the math like, yeah

I'm good at little league

A pre-conceived (2)_____ of what it all meant

For those that like the same sex

Had the characteristics

The right-wing conservatives

Think it's a decision

And you can be cured

With some (3)_____ and religion

Man-made, rewiring of a pre-disposition

Playing God

Oh no, here we go

America the brave

Still fears what we don't know

And God loves all his children

It's somehow forgotten

But we paraphrase a book written

Thirty five hundred years ago

I don't know

Fill in the gaps

And I can't change

...

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She (4)_____ me warm

She keeps me warm

She keeps me warm

She keeps me warm

If I was gay

I would think hip-hop hates me

Have you (5)_____ the YouTube comments lately

Man that's gay

Gets dropped on the daily

We've become so numb to (6)_____ we're saying

Our culture founded from oppression

Yet we don't have acceptance for them

Call each other faggots

Behind the keys of a message board

A word rooted in hate

Yet our genre still ignores it

Gay is (7)_____ with the lesser

It's the same hate that's caused wars from religion

Gender to skin color

A complexion of your pigment

The same fight that led people to walk-outs and sit-ins

There's human rights for everybody

Fill in the gaps

There is no difference

Live on

And be yourself

When I was in church they (8)_____ me something else

If you preach hate at the service

Those words aren't anointed

And that Holy Water

That you (9)_____ in is then poisoned

When (10)_____ else is (11)_____ comfortable

Remaining voiceless rather than fighting for humans

That (12)_____ had their rights stolen

I might not be the same

But that's not important

No (13)_____ till we're equal

Damn right I (14)_____ it

I don't know

And I can't change

Even if I tried

Even if I (15)_____ to

My love, my love, my love

She keeps me warm

She keeps me warm

She keeps me warm

She keeps me warm

We press play

Don't press pause

Progress, march on

With a (16)_____ over our eyes

We turn our back on the cause

Till the day (17)_____ my uncles can be united by law

Fill in the gaps

Kids are walking around the hallway

Plagued by pain in their heart

A world so hateful

Some (18)_____ rather die than be who (19)_____ are

And a certificate on paper

Isn't gonna solve it all

But it's a damn good place to start

No law's gonna change us

We (20)_____ to change us

Whatever god you believe in

We come (21)_____ the same one

Strip away the fear

Underneath it's all the same love

About time that we raised up

And I can't change

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She keeps me warm

She keeps me warm

She (22)_____ me warm

She keeps me warm

Love is patient, (23)_____ is kind

Love is patient, love is kind

Love is patient (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is (24)_____ (not crying on Sundays)

Fill in the gaps

Love is (25)_____ (not crying on Sundays)

Love is (26)_____ (not crying on Sundays)

Love is kind (not crying on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not (27)_____ on Sundays)
