Fill in the gaps

Ryan Lewis

Same Love by Macklemore &
When I was in the third grade
I thought that I was gay
'Cause I could draw, my uncle was
And I kept my room straight
I told my mom
Tears rushing down my face
She's like, Ben you've loved girls since before pre-K
Tripping
Yeah, I (1) she had a point, didn't she
A bunch of stereotypes all in my head
I remember doing the math like, yeah
I'm good at little league
A pre-conceived idea of what it all meant
For those that like the same sex
Had the characteristics
The right-wing conservatives
Think it's a decision
And you can be cured
With some treatment and religion
Man-made, rewiring of a pre-disposition
Playing God
Oh no, here we go
America the brave
Still fears what we don't know
And God loves all his children
It's (2) forgotten
But we paraphrase a book written
Thirty five hundred years ago

I don't know

Progress, march on

With a veil over our eyes

We turn our back on the cause

Till the day that my uncles can be united by law

Kids are walking around the hallway

Plagued by pain in their heart

A world so hateful

Some would rather die than be who they are

And a certificate on paper

Isn't gonna solve it all

But it's a damn good place to start

No law's gonna change us

We have to change us

Whatever god you believe in

We come from the same one

Strip away the fear

Underneath it's all the same love

About time that we raised up

And I can't change

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She keeps me warm
