

## Fill in the gaps

## 6 Minutes by The Jonas Brothers

She's the kinda girl (1) you see in the movies			
Seen her in my dreams and now she's standin' next to me			
Down by the shore first weekend of the summer			
Got to take a chance and just ask for her number			
I wish, I had a song on MTV			
'Cause in a crowded room I'd be the only one she'd sees			
She's looking bored now I'm runnin' out of time			
I've only got 6 minutes if I'm gonna make her mine			
1 minute and the earth begins to shake			
2 minutes and my heart begins to break			
Another minute and she makes me feel brand new			
That's just 3 minutes (2) you			
4 minutes and she's everything I see			
5 minutes and she's where I want to be			
Another minute everything (3) feels so new			
I need 6 minutes with you, 6 minutes			
She's lookin' at her (4) while the DJ is spinnin'			
This could be the end or it's just the beginnin'			
She's the kinda girl that I want to know better			
Reachin' for her keys so I guess it's now or never			
I wish that I was on the radio			
I'd sing her favorite song, she'd be $(5)$ row at			
every show			
This party's lame and now I'm runnin' out of time			
I've only got 6 minutes if I'm gonna make her mine			
1 minute and the earth (6) to shake			
2 minutes and my heart begins to break			

Another minu	te and she makes m	e feel brand n	ew	
That's just 3	(7)	with you		
4 minutes and	d she's everything I s	ee		
5 minutes and	d she's where I want	to be		
Another minute everything just feels so new				
I need 6 minu	ites with you, 6 minut	es		
Sometimes I feel like the catcher in the Rye				
Sometimes I wish that I could catch her eye				
Sometimes I wish that I could be that guy				
Yeah, time is passin' by, I'm losin' my mind				
I need 1, 2, 3, 4, 5, 6 minutes with you				
1 minute and the earth begins to shake				
2 minutes and my heart begins to break				
Another minute and she makes me feel brand new				
That's just 3 n	minutes with you			
4 minutes and	d she's everything I s	ee		
5 minutes and	d she's where I (8)_	to be	•	
Another minu	te everything (9)	feels s	so new	
I need 6 minu	ites with you, 6 minut	tes
