

## Fill in the gaps

In two more years, my sweetheart
We will see another view
Such longing for the past for such completion
What was once golden
Has now turned a shade of grey
I've become crueler in (1) presence
They say, be brave
There's a right way in a wrong way
This pain won't last for ever
This pain won't last for ever
Two more years, there's only two more years
Two more years, there's only two more years
In two more years so (2) on
Two more years, there's (3) two more years
Two more years, there's (4) two more years
In two more years so hold on
You've cried enough this lifetime
My beloved polar bear
My beloved polar bear  Tears to fill a sea to drown a beacon
,
Tears to fill a sea to drown a beacon
Tears to fill a sea to drown a beacon  To start anew all over
Tears to fill a sea to drown a beacon To start anew all over Remove those scars from your arms
Tears to fill a sea to drown a beacon  To start anew all over  Remove those scars from your arms  To start (5) all over more enlightened
Tears to fill a sea to drown a beacon To start anew all over Remove those scars from your arms To start (5) all over more enlightened I know (I know), my love

Two more years, there's only two more years
Two more years, there's only two more years
In two more years so hold on
Two more years, there's only two more years
Two (7) years, there's only two more years
In two more years so hold on
You don't need to find answers
For questions never (8) of you
You don't need to find answers
You don't need to find answers
For questions never (9) of you
You don't need to find answers
Dead weights, balloons
Drag me to you
I've become crueler, since I met you
I've become rougher, this world is (10) me
You don't need to find answers
For questions never asked of you
You don't need to find answers
You don't need to find answers
For questions never asked of you
You don't need to find answers
