

## Fill in the gaps

n two more years, my sweetheart	Two (16) years, there's only two more years
We will see another view	Two (17) years, there's (18) two more
Such longing for the past for such completion	years
What was once golden	In two more years so hold on
Has now (1) a shade of grey	Two (19) years, there's only two more years
've become crueler in your presence	Two more years, there's only two more years
They say, be brave	In two more years so hold on
There's a right way in a wrong way	You don't need to find answers
This pain won't last for ever	For questions never (20) of you
This pain won't (2) for ever	You don't (21) to find answers
Two more years, there's (3) two more years	You don't need to find answers
Two more years, there's (4) two more years	For questions never asked of you
n two more years so hold on	You don't (22) to find answers
Two more years, there's (5) two more years	Dead weights, balloons
Two more years, there's (6) two (7)	Drag me to you
years	I've become crueler, since I met you
n two more years so (8) on	I've become rougher, this (23) is killing me
You've (9) enough (10) lifetime	You don't (24) to find answers
My beloved polar bear	For (25) never asked of you
Tears to (11) a sea to drown a beacon	You don't (26) to find answers
To start anew all over	
Remove those scars (12) your arms	You don't need to (27) answers
To (13) anew all over more enlightened	For questions never asked of you
know (I know), my love	You don't need to (28) answers
This is not the only story you can tell	
This pain won't (14) for ever	
This (15) won't last for ever
