Said i d never (1)	ner	if you're pretending from the start like this
'Cause her (2)	_ fit like my t-shirt	With a tight grip, then my kiss
Tongue tied over three words, cursed		Can mend your (6) heart
Running over thoughts that make my feet hurt		I might miss everything you said to me
Bodies intertwined (3) her lips		And I can lend you broken parts
Now she's feeling so low since she went solo		That might fit like this
Hole in the middle of my heart like a polo		And I will (7) you all my heart
And it's no joke to me		So we can start it all over again
So can we do it all over again		You'll never know how to make it on your own
If (4)	pretending from the start like this	And you'll never show weakness for letting go
With a tight grip, then my kiss		I guess you're still (8) if this seed's sown
Can mend your broken heart		But do you really wanna be alone?
I might miss everything you said to me		If (9) pretending from the start like this
And I can lend you broken parts		With a tight grip, then my kiss
That might fit like this		Can mend your broken heart
And I will give you all my heart		I might miss everything you said to me
So we can start it all over again		And I can lend you broken parts
Can we take the same road		That might fit (10) this
Two days in the same clothes		And I will give you all my heart
And I know just what she'll say		So we can start it all over again
If I make all this pain go		If you're pretending from the start like this
Can we stop this for a minute		With a tight grip, then my kiss
You know		Can mend your broken heart
I can tell that your (5)	isn't in it or with it	I might miss everything you said to me
Tell me with your mind, body and spirit		And I can lend you broken parts
I can make your tears fall down		That might fit like this
Like the showers that are British		And I will give you all my heart
Whether we're together or apart		So we can start it all over again
We can both remove the masks		
And admit we regret it from the start
