

## Fill in the gaps

So close so far	All (11) I needed
I'm (1) in time	To justify
Ready to follow a sign	Justify my life
If (2) was (3) a sign	It's only right
The last goodbye	That I should go
Burns in my mind	And find myself
Why did I leave you behind	Before I go and ruin
Guess it was too (4) to climb	Someone else
Give me a reason	So close so far
Why would you (5) me	I'm (12) in time
To live and die	Ready to follow a sign
Living a lie	If there was (13) a sign
You were the answer	Give me a reason
All that I needed	Why would you want me
To justify	To live and die
Justify my life	Living a lie
Someone as beautiful as you	You (14) the answer
Could do (6) better (7) true	All (15) I needed
That didn't (8) to you	To justify
I tried so hard to be the one	Justify my life
Its something I couldn't do	It's (16) right
Guess I was (9) the gun	That I should go
Give me a reason	And find myself
Why (10) you want me	Before I go and ruin
To live and die	Someone else
Living a lie	
You were the answer
