

Fill in the gaps

Only now it's gone	When you cry
I can see the year	I hear nothing
See it for (1) it was	See no need to reply
And (2) another day	I can smile now
All the liberty you took	And (20) away
The love that you abused	Come over here
The friends (3) you turned	So you can see me walk away
Against me if you could	And celebrate
And you're twisting what I say	The end of night (the end of night)
All (4) saying you were scared	The end of night (the end of night)
It doesn't matter anymore	The end of night (the end of night)
Cause I'm not there	The end of night (the end of night)
You were careless when the (5) (6)	After the fall comes love
in	I hate to (21) and I (22) to love
And (7) when it left	After the fall (23) love
And careless all the way	I hate to (24) and I love to love
I didn't see it till the end	I feel nothing
I (8) nothing	When you cry
When you cry	I hear nothing
I (9) nothing	See no need to reply
See no (10) to reply	I can smile now
I can smile now	And turn away
And (11) away	Come over here
Come (12) here	So you can see me walk away
So you can see me (13) away	And celebrate
And celebrate	The end of (25) (the end of night)
The end of night (the end of night)	The end of night (the end of night)
The end of night (the end of night)	The end of night (the end of night)
The end of night (the end of night)	The end of night (the end of night)
The end of night (the end of night)	(The end of night, the end of night)
It only (14) one lie	After the fall comes love
To (15) this (16) down	(The end of night, the end of night)
Behind closed doors	(The end of night, the end of night)
No one tells the first time round	I (26) to hate and I love to love
Pain is (17) when	(The end of night, the end of night)
You bring it on yourself	The end of night (the end of night)
The sweetest bully building	The end of night (the end of night)
A love that couldn't last	The end of night (the end of night)
You were ugly when the beat (18) in	The end of (27) (the end of night)
And ugly (19) it left	
And ugly all the way	
I didn't see it till the end	
I feel nothing
