

Fill in the gaps

You tell me you're in (1) with me	Treat you right, be with you day and night
Like you can't take your (2) eyes away from	Baby all I need is time
me	Just hang around and you'll see
It's not that I don't want to stay	There's nowhere I'd rather be
But every (3) you come too close I move away	If you love me, trust in me
I wanna believe in everything that you say	The way that I trust in you
'Cause it sounds so good	Sometimes I run (sometimes)
But if you really want me move slow	Sometimes I hide
There's (4) about me you just have to know	Sometimes I'm scared of you (oh)
Sometimes I run	But all I (7) want is to hold you tight
Sometimes I hide	Hold you tight, treat you right
Sometimes I'm scared of you	Be with you day and night (day and night)
But all I really want is to hold you tight	Sometimes I run (sometimes)
Treat you right, be with you day and night	Sometimes I hide
Baby, all I need is time	Sometimes I'm scared of you
I don't wanna be so shy	But all I really want is to hold you tight
Every time that I'm alone I wonder why	Treat you right
Hope that you will wait for me	Be with you day and night (day and night)
You'll see that you're the only one for me	All I really (8) is to hold you tight
I wanna believe in everything that you say	Be with you day and night
'Cause it sounds so good	Sometimes I run (sometimes)
But if you (5) want me move slow	Sometimes I hide
There's things about me you just have to know	Sometimes I'm (9) of you
Sometimes I run (sometimes)	But all I really want is to hold you tight
Sometimes I hide	
Sometimes I'm scared of you	
But all I really want is to hold you tight	
Treat you right, be with you day and night
