

## Fill in the gaps

Bombs go off around me	Where my mind would take me
Bullets chase my head	Never coming near
Demonscene hellscape	Scared my (12) would break me
Try to not get dead	Why am I here
From the cradle I was in	Where my mind would take me
Straight for the firing line	Never coming near
By the teeth of my skin	Scared my (13) (14) break me
Dragon and the serpent versus swine	Why am I here
Never (1) ready	Why am I here
It just (2) your turn	Come on
Evertight steady	Bombs go off around me
No more (3) to burn	Bullets (15) my head
A lie has no feet	Demonscene hellscape
Cannot stand alone	Try to not get dead
A cry in the street	From the cradle I was in
Who cast the first stone	Straight for the firing line
With (4) between my teeth	By the teeth of my skin
I (5) the devil (6) his soul	Dragon and the serpent (16) swine
I know that he can bleed	With (17) between my teeth
Moon goes (7) sun grows cold	I made the (18) (19) his soul
Where my mind (8) take me	I know (20) he can bleed
Never (9) near	Moon (21) (22) sun (23)
Scared my heart (10) me	cold
Why am I here
