

Fill in the gaps

I know that it is freezing
But I (1) we (2) to walk
I (3) waving at the taxis
They (4) turning (5) lights off
But Julie (6) a party
At some actor's west side loft
Supplies are endless in the evening
By the (7) they'll be gone
When everything is lonely
I can be my own best friend
I get a coffee and the paper
Have my own conversations
With the sidewalk and the pigeons
And my window reflection
The (8) I polish in the evening
By the morning looks like ****
And I know you have a heavy heart
I can feel it when we kiss
So many men stronger than me
Have (9) their backs out trying to lift
It
But me I'm not a gamble
You can (10) on me to split
The (11) I sell you in the evening
By the (12) won't exist
You're (13) skinny like a model
With your eyes all painted black
You just keep (14) to the bathroom
Always say you'll be right back

Well it takes one to know one, kid
I think you've got it bad
But what's so easy in the evening
By the morning is such a drag
I've got a flask inside my pocket
We can share it on the train
And if you (15) to stay conscious
I will try and do the same
Well, we (16) die from medication
But (17) (18) (19) all
the pain
But what was (20) in the evening
By the morning seems insane
And I'm not sure what the (21) was
That started all of this
The reasons all (22) run away
But the feeling never did
It's
Not something I would recommend
But it is one way to live
'Cause (23) is simple in the moonlight
By the morning never is
It was so simple in the moonlight
Now is so complicated
It was so (24) in the moonlight
So (25) in the moonlight
So simple in the moonlight
