

Fill in the gaps

I (1) have spent my whole life	The pain was (14) (15) I could take
Waiting in the dark	But (16) each and every scar
Or (2) (3) place	Has (17) erased
With a hole (4) my heart	And if the sun and (18) and stars
You came when I decided	Come (19) down
This might be my fate	I'll be in (20) arms
Not one second early not one second late	No safer place I found
Tell me how	This is more than a (21) memory
You (5) me hope (6) just one kiss	I can't ignore
And (7) my doubt	My dreams (22) (23) reality
With a love I can't forget	(Oh) finally
(Oh) finally	I breathe again
I (8) again	There are no words to describe it
There are no words to describe it	There's no way (24) I can hide it
There's no way that I can hide it	(Oh) no, finally
(Oh) no, finally	The (25) is gone
The (9) is gone	And I don't (26) to (27) this world alone
And I don't (10) to face (11) world alone	Even though I lost my way
Even though I lost my way	With you, I'm finally home
With you, I'm (12) home	
There (13) times
