## SUB inglés

Her and her mama alike So all they do is fight

## Fill in the gaps

## High School by Nicki Minaj & Lil Wayne

He said he came from Jamaica	I tell her make me some money
He owned a couple acres	She tell me make me a wife
A (1) fake Visas 'cause he never got his	I tell her, *****, you crazy
papers	**** wrong (6) you
Gave up on love	And (7) my French, but I'm a long kisser
******* with them heart breakers	And then she try to (8) me
But he was getting money	I'm the only one that's hitting
With the movers and the shakers	And I say, what about them niggas
He was mixed with a couple things	She say, what about (9) niggas
Ball (2) a couple rings	You right
Bricks in the condo and	What you doing tonight
Grams to Sing Sing	Put on something tight
Left arm, baby mother tatted	Don't judge me, I get life
Five year bid up, north on they ratted	She love me like a brother
Anyway, I felt him, helped him	But **** me like a husband
Put him on lock	***** like a oven
Seat belt them	Too hot to put my tongue in
Took him out to Belgium, welcome	All I had to do is rub it
****** this pretty, that's seldom	The genie out the bottle
This box better than the box he was held in	***** so wet
I-I-I'm Momma Dee in that order	I'mma need goggles
I call him daddy like daughters	She tell me that's it's mine
He like it (3) I get drunk	I tell her stop lying
But I like it when he be sober	Mine and who else
That's top of the toppa	She say worry about yourself, Lil Tune
I (4) **** with beginners	(They (10) at me) but it's you, you
l let him play with my *****	This ain't high school
Then lick it off of his fingers, I'm in the zone	Me and my crew
(They holler at me) but it's you, you	We can slide through
This ain't high school	Give it to you whenever you want
Me and my crew	Put it wherever you want
We can (5) through	Baby, it's yours
Give it to you whenever you want	Anywhere, everywhere
Put it wherever you want	Baby it's your world, ain't it (ain't it)
Baby, it's yours	Baby it's your world, ain't it
Anywhere, everywhere	I know you want it, boy, I see you trying
Baby it's your world, ain't it (ain't it)	Just keep on pushing, I'm a let you slide in
(Alright)	Just close your eyes and
Baby it's your world, ain't it	This horizon
She got a nigga at home	It's ready, come get you some
And one on the side	(Yeah, yeah, yeah)
Best friend is a dike
