

Any time we have a conversation

Fill in the gaps

It's never what you wanna hear
It's funny how much words can hurt you
Even after all these years
I wanna make an observation
About how you tear your world apart
And every time I try to tell you
You blame it on your fickle heart
How they're hurting you (hurting you)
Whether they're deserting you (deserting you)
It's always so unfair to you (unfair to you)
It's time to have a conversation
Give it up (give it up)
I'm never gonna hold you up (hold you up)
You've always been afraid of love (afraid of love)
It's time to have a conversation
Waking up is never easy
So why don't you come over here
Tell me about the dreams that haunt you
Tell me about (1) secret fears
I wanna change your whole perception
If only I could make you see
How it's all your own creation
That's bringing you (2) misery
How they're hurting you (hurting you)
Whether they're deserting you (deserting you)
It's always so unfair to you (unfair to you)

It's time to have a conversation
Give it up (give it up)
I'm never gonna hold you up (hold you up)
You've always been afraid of love (afraid of love)
It's time to have a conversation
The words you hear in your head
Were never said, (3) never said
The heart you break, you mistake
For me instead, for me instead
How they're hurting you (hurting you)
Whether they're deserting you (deserting you)
It's always so unfair to you (unfair to you)
It's (4) to have a conversation
Give it up (give it up)
I'm never (5) hold you up (hold you up)
You've always (6) afraid of (7) (afraid of
love)
It's (8) to have a conversation
They're hurting you (hurting you)
Whether they're deserting you (deserting you)
It's always so unfair to you (unfair to you)
It's time to have a conversation
Give it up (give it up)
I'm never gonna hold you up (hold you up)
You've always (9) afraid of love (afraid of love)
It's (10) to have a conversation
