

See, he tastes like you only sweeter

## Fill in the gaps

m gonna make you bend and	(Onnnnn)
'm gonna make you bend and break	They say
(It sent you to me without wings)	I (6) think in the (7) of crunching
Say a prayer, but let the good times roll	numbers
n case God doesn't show	In hotel rooms
(Let the (1) times roll, let the good times roll)	Collecting page six lovers
And I want these words to make (2) right	Get me out of my mind
But it's the wrongs	Get you out of those clothes
That make the words come to life	I'm a liner away
Who does he think he is?	From (8) you into the mood
f that's the (3) you got	One night and one more time
Better put your fingers back to the keys	Thanks for the memories
One night and one more time	Even though they weren't so great
Thanks for the memories	He tastes like you only sweeter
Even though they weren't so great	One night yeah, and one more time
He tastes like you (4) sweeter	Thanks for the memories
One night yeah, and one more time	Thanks for the memories
Thanks for the memories	See, he tastes like you only sweeter
Thanks for the memories	(Ohhhhhh)
See, he tastes like you only sweeter	One more night (one more night)
(Ohhhhhh)	And one more time (one more time)
'm looking forward to the future	Thanks for the memories
But my eyesight is going bad	Even though they weren't so great
And this (5) ball	He tastes (9) you only sweeter
t's always cloudy	One more night (one more night)
Except for (except for)	And one more time (one more time)
When you look into the past (look into the past)	Thanks for the memories
One night stand	Even though (10) weren't so great
One night stand	He tastes like you only sweeter
One night and one more time	One more yeah (one more night)
Thanks for the memories	And one more time (one more time)
Even though they weren't so great	Thanks for the memories
He tastes like you only sweeter	Thanks for the memories
One night yeah, and one more time	See, he tastes like you only sweeter
Thanks for the memories	(Ohhhhhh)
Thanks for the memories
