

Hold on now I'm choking

Give me a second to collect myself

Fill in the gaps

You must be joking
Otherwise I'm laughing to myself
Why you here again
Hold on a minute, let me check this out
Your invitation's a fake
Must be from a take it out
I hear you out, you hear me out
I hear you shout, I'm not stepping out
I hear you out, you hear me out
I hear you shout, I'm not stepping out
Let away fairy tales and
Little (1) lies
Everything you exhale
Is attracting flies
And we can go off the wales and
You can cry your eyes out
But everything you exhale
Is attracting flies
Please stay it's your moment
I'll give you all the listening that you need
Don't be so mean
Who needs the drama, who said you have to bleed
I'm excited
Come on surprise me, sweep me off my fate
Oh, enlight me
What is this special thing about you I need
I (2) you out, you hear me out

I hear you shout, I'm not stepping out
I hear you out, hear me out
I (3) you shout, I'm not stepping out
Let away (4) tales and
Little white lies
Everything you exhale
Is attracting flies
And we can go off the wales and
You can cry your eyes out
But everything you exhale
Is attracting flies
How'd you think you know when you stop igniting
You know my heart right and you had me aching
How about a piece of your own medicine
Now you're outside there trying to get in
(B-A-B) What would I care if you want me
(B-A-B) What would I (5) if you don't
(B-A-B) What would I (6) if you need me
(B-A-B) What would I care if you go
Let away (7) tales and
Little white lies
Everything you exhale
Is (8) flies
And we can go off the wales and
You can cry your eyes out
But everything you exhale
Is attracting flies
