

Gonna fight till I can't

## Fill in the gaps

The world spit me out	Spin and say
And now we're (1) around	You can turn me down
Lost in a (2) fall	You can throw me now
Forever (3) down	The harder out, the harder I come back around
And breaking through the ground	You can break my heart
When I (4) I reached the end	But you can't scratch my name
I start to fall again	I can (9) the hit
But I'll start	'Cause I'm a boomerang
To never surrender	
When it's (5) to get up	I'm a boomerang
Gonna fight till I can spin and say	
You can turn me down	I'm a boomerang
You can throw me now	Even though I'm flying high
The harder out, the harder I (6) back around	The sky can change one day
You can break my heart	I can hit some turbulence
But you can't scratch my name	But who I am is never gonna change
I can take the hit	'Cause I'm a boomerang
'Cause I'm a boomerang	'Cause I'm a boomerang
	'Cause I'm a boomerang
I'm a boomerang	You can turn me down
	You can throw me now
I'm a boomerang	The harder out, the harder I come back around
Now I'm ten feet tall	You can break my heart
All my problems feel so small	But you can't (10) my name
Nothing in my way to make me change	I can take the hit
No ceiling to my sky	'Cause I'm a boomerang
Just open space to fly	
Every (7) I'm feeling down	I'm a boomerang
I turn it (8) around	
But I'll start	I'm a boomerang
To never surrender
