# SUB inglés

Could you give yourself to me

## Fill in the gaps

### Lies (Acoustic) by Marina & The Diamonds

| You're never (1) love me                           | 'Cause the night is your woman               |
|--|--|
| So what's the use?                                 | And she'll set you free                      |
| What's the point in playing                        | You're too proud to say                      |
| A game you're gonna lose?                          | That you've made a mistake                   |
| What's the point of saying                         | You're a coward to the end                   |
| You love me (2) a friend?                          | I don't wanna admit, but we're not gonna fit |
| What's the point of saying                         | No, I'm not the type (5) you like            |
| It's (3) gonna end?                                | Why don't we just pretend?                   |
| You're too proud to say that you've made a mistake | Lies   |
| You're a coward to the end                         | Don't wanna know, don't wanna know (oh)      |
| I don't wanna admit, but we're not gonna fit       | I can't let you go, can't let you go (oh)    |
| No, I'm not the type that you like                 | I just (6) it to be perfect                  |
| Why don't we just pretend?                         | To believe it's all been (7) a fight         |
| Lies   | Lies   |
| Don't wanna know, don't wanna know (oh)            | Don't wanna know, don't wanna know (oh)      |
| I can't let you go, can't let you go (oh)          |  |
| I just want it to be perfect                       | Lies   |
| To believe it's all been worth a fight             | Lies   |
| Lies   | Don't (8) know, don't wanna know (oh)        |
| Don't wanna know, don't wanna know (oh)            | I can't let you go, can't let you go (oh)    |
| You only ever (4) me                               | I just (9) it to be perfect                  |
| In the dark  | To believe it's all been worth a fight       |
| Only if we're drinking                             | Lies   |
| Can you see my spark                               | Don't wanna know, don't wanna know (oh)      |
| And only in the evening                            |  |
