

We will be together all of our days

Fill in the gaps

Forever And For Always by Shania Twain

		Wanna wake up ever morning to your sweet face
In your arms I can (1) feel	I the way	Always
You want me when you hold me		(I wanna wake up (6) morning)
I can still hear the words you whispered		In your eyes
When you told me		(I can still see the look of the one)
I can stay right here forever in (2)	arms	I can still see the look of the one who really loves me
And there ain't no way		(I can still feel the way that you want me)
I'm letting you go now		The one who wouldn't put (7) else
And there ain't no way		In the world above me
And there ain't now how		(I can still see love for me)
Never see that day		I can still see (8) for me in your eyes
Cause I'm keeping you forever and for always		(I can still see love)
We will be together all of our days		And there ain't no way
Wanna wake up every morning to your sweet face		I'm lettin' you go now
Always		And there ain't no way
(Mmm, baby)		And there ain't no how
In your heart		I'll never see (9) day
I can still hear a beat for every time you kiss me		'Cause I'm keeping you forever and for always
And (3) we're apart		We will be together all of our days
know how much you (4) me		Wanna wake up every morning to your sweet face
can feel your love for me in your heart		I'm keeping you forever and for always
and (5) ain't no way		We (10) be together all of our days
m lettin' you go now		Wanna wake up every morning to your sweet face
And there ain't no way		I'm keeping you forever and for always
And there ain't no how		
I'll never see that day		In your arms
Cause I'm keeping you forever and for	always
