Forever And For Always by Shania Twain

	Wanna wake up ever morning to your sweet face
In your arms I can (1) feel the way	Always
You want me when you hold me	(I wanna wake up every morning)
I can still hear the words you whispered	In your eyes
When you told me	(I can still see the look of the one)
I can stay right here forever in your arms	I can still see the look of the one who really loves me
And there ain't no way	(I can still feel the way that you want me)
I'm letting you go now	The one who wouldn't put anything else
And there ain't no way	In the world above me
And there ain't now how	(I can still see (5) for me)
Never see that day	I can still see love for me in your eyes
Cause I'm (2) you forever and for always	(I can still see love)
We will be together all of our days	And there ain't no way
Wanna wake up every morning to your sweet face	I'm lettin' you go now
Always	And there ain't no way
(Mmm, baby)	And (6) ain't no how
In your heart	I'll never see that day
I can still hear a beat for every time you kiss me	'Cause I'm keeping you forever and for always
And when we're apart	We will be together all of our days
I know how much you miss me	Wanna wake up every morning to your sweet face
I can feel your (3) for me in your heart	I'm keeping you forever and for always
And there ain't no way	We will be together all of our days
I'm lettin' you go now	Wanna (7) up (8)
And there ain't no way	(9) to your sweet face
And there ain't no how	I'm keeping you forever and for always
I'll never see that day	
Cause I'm keeping you forever and for always	In your arms
