

Does he hold you when you cry?

Does he let you tell him all your favorite parts...

## Like We Used To by A Rocket To The Moon

rean reel her breath as she's (1) next to	when you've seen it a (5) times?
me	Does he sing to all your music
Sharing pillows and cold feet	While you dance to purple rain?
She can feel my heart fell asleep to its beat	Does he do all these things, like I used to?
Under blankets and warm sheets	I know love
If (2) I could be in that be again	(I'm a sucker for that feeling)
If only it were me instead of him	Happens all the time love
Does he watch your (3) movies?	(I always end up feeling cheated)
Does he hold you when you cry?	You're on my mind love
Does he let you tell him all your favorite parts	(Or so that matters when I need it)
When you've seen it a million times?	That happens all the time love (yeah)
Does he sing to all your music	Will he love you (6) I loved you?
While you (4) to purple rain?	Will he tell you every day?
Does he do all these things, like I used to?	Will he make you feel like you're invincible
Fourteen months and seven days ago	With every word he'll say?
Oh, I know you know	Can you promise me if (7) was right
How we felt about that night	Don't throw it all away?
Just your skin against the window	Can you do all these things?
Oh, we took it slow and we both know	Will you do all (8) things?
It should have been me inside that car	Like we used to
It should have been me instead of him in the dark	Oh, (9) we used to
Does he watch your favorite movies?
