The Phoenix by Fall Out Boy

So dance alone to the beat of your heart

Fill in the gaps

Put on your war paint	Hey (6) blood
You are a brick tied to me that's dragging me down	Doesn't it feel like our time is running out?
Strike a match and I'll burn you to the ground	I'm gonna change you like a remix
We are the Jack 'o Lanterns in July	Then I'll raise you like a phoenix
Setting fire to the sky	Wearing all vintage misery
Here he comes this rising tides	No, I think it looked a little better on me
So come on	I'm (7) change you like a remix
Put on your war paint	Then I'll raise you like a phoenix
Crossed marks and crossed hearts	Put on your war paint
And hope to die	The war is won
Sue the clouds with red lining	Before it's begun
So we can (1) the world back from the heart attack	Release the doves
One maniac at a time	Surrender love
We will take it back	The war is won
You know (2) crawls on	Before it's begun
When you're waiting for the song to start	Release the doves
So dance alone to the (3) of your heart	Surrender love
Hey young blood	The war is won
Doesn't it feel like our time is running out?	Before it's begun
I'm gonna change you like a remix	Release the doves
Then I'll raise you like a phoenix	Surrender love
Wearing all vintage misery	The war is won
No, I think it looked a little better on me	Before it's begun
I'm gonna change you like a remix	Release the doves
Then I'll raise you like a phoenix	Surrender love
Bring home the boys	Hey (8) blood
And scrap, scrap metal the tanks	Doesn't it feel like our time is running out?
Get hitched	I'm gonna change you like a remix
Make a career out of robbing banks	Then I'll raise you like a phoenix
Because the world is just a terror	Wearing all vintage misery
And we are wearing black masks	No, I think it looked a little better on me
So rock our spirits	I'm gonna (9) you like a remix
And you'll know (4) passed	Then I'll raise you like a phoenix
So we can take the world back	Hey young blood
From the heart attack	Doesn't it feel like our time is running out?
One maniac at a time	I'm gonna (10) you like a remix
We will take it back	Then I'll raise you like a phoenix
You know time crawls on	Put on your war paint
When you're (5) for the song to start
