

Uprising by Muse

Fill in the gaps

The paranoia is in bloom, the PR
The transmissions will resume
They'll try to push drugs
Keep us all dumbed down and hope that
We will never see the truth around
Another promise, another scene, another
A package not to (1)_____ us trapped in greed
With all the green belts wrapped around our minds
And endless red tape to keep the truth confined
They will not force us
They will stop degrading us
They (2)_____ not control us
We will be victorious
Interchanging mind control
Come let the revolution take it's toll if you could
Flick the switch and (3)_____ your third eye, you'd see
that
We should never be afraid to die

Rise up and take the power back, it's time that
The fat (4)_____ had a heart attack, you know that
Their (5)_____ is coming to an end
We have to unify and watch our flag ascend
They will not force us
They (6)_____ stop degrading us
They will not control us
We will be victorious
They will not (7)_____ us
They will (8)_____ degrading us
They will not control us
We will be victorious
