

Fill in the gaps

Uprising by Muse

The paranoia is in bloom, the PR
The transmissions will resume
They'll try to push drugs
Keep us all dumbed down and hope that
We will (1)_____ see the (2)_____ around
Another promise, another scene, another
A package not to keep us trapped in greed
With all the green belts (3)_____ around our
minds
And (4)_____ red tape to keep the truth confined
They will not force us
They will stop degrading us
They will not control us
We will be victorious
Interchanging mind control
Come let the revolution (5)_____ it's toll if you could
Flick the switch and open your third eye, you'd see that
We should never be (6)_____ to die

Rise up and take the power back, it's time that
The fat cats had a heart attack, you know that
Their time is coming to an end
We have to unify and watch our flag ascend
They will not force us
They will stop degrading us
They will not control us
We (7)_____ be victorious
They (8)_____ not force us
They will (9)_____ degrading us
They (10)_____ not control us
We will be victorious
