

Fill in the gaps

I give a little	I can (4) them calling for me (now I'm falling)
Into the moment like I'm standing at the edge, I know	Falling, falling, falling
That no one's gonna turn me around	Falling, falling, falling
Just one more step, I could let go	Falling, falling
And in the middle	And now I'm falling, falling
I hear the voices and they're (1) for me	Falling, falling
now, I know	Falling, falling, falling
That nothing's gonna wake me now	Falling, falling
'Cause I'm a slave to the sound	And now I'm falling
And they're calling up	Falling, falling, falling, fall, yeah
Don't stop, no, I'll never give up	And now I'm falling
And I'll never look up, just hold your head up	Falling, falling, falling, fall, yeah
And if it gets rough, it's time to get rough	And now I'm falling
They keep saying	Into the fire feeling higher than the truth (but now falling)
Don't stop, no one's ever enough	I can feel the heat but I'm not burning (I'm falling)
I'll never look up, never give up	Feeling desire, feel the tired hungry tooth (but now falling)
And if it (2) rough, it's time to get rough	Feels like I'm falling away
But now I'm falling, falling	I can hear them calling for me (now I'm falling)
Falling, falling	Into the fire feeling higher than the truth (but now falling)
Falling, falling	I can feel the heat but I'm not (5) (falling)
Falling	Feeling desire, (6) the tired hungry tooth (but no
Now I'm going down	falling)
And I can feel the eyes are watching us so closely	It feels like I'm falling away
I'm trying not to make a sound	I can hear them calling for me (now I'm falling)
'Cause I'll be found out somehow	Never look up, never give up
So keep calling	Never look up, never give up
Don't stop, no, I'll never give up	Never look up, never (7) up
And I'll never look up, just hold your head up	I'll never give up, I'll (8) give up (now I'm falling)
And if it gets rough, it's time to get rough	Never look up, never give up
They keep saying	Never look up, never give up (I'm falling)
Don't stop, no one's ever enough	Never look up, never give up
I'll never look up, never give up	I'll never give up, I'll never give up (now I'm falling)
And if it gets rough, it's time to get rough	Never look up, never give up
But now I'm falling	Never look up, never give up
Into the fire feeling higher than the truth (I'm falling)	Never look up, (9) give up
I can feel the heat but I'm not burning (but now falling)	I'll never (10) up, I'll never give up
Feeling desire, feed the tired hungry tooth (I'm falling)	Never look up, never give up
Feels like I'm falling away	Never look up, never give up
I can hear them calling for me (but now I'm falling)	Never look up, never give up
Into the fire feeling higher than the truth (I'm falling)	I'll never give up, I'll never give up
I can feel the heat but I'm not burning (but now falling)
