

Fill in the gaps

I'm lyin' here
On the floor where you left me
I think I took too much
I'm crying here
What have you done?
I thought it would be fun
I can't stay on your life support
There's a (1) in the switch
I can't stay on your morphine
'Cause it's making me itch
I said I tried to call the nurse again
But she's (2) a little bitch
I think I'll get outta here
Where I can run?
Just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear
You're just (3) a pill
Instead of makin' me better
You keep makin' me ill
You keep makin' me ill
I haven't moved from the spot where you left me
This must be a bad trip
All of the other pills, they were different
Maybe I should get some help
I can't stay on your (4) support
There's a shortage in the switch
I can't stay on your morphine
'Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch
I think I'll get outta here
Where I can run?
Just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear
You're just like a pill
Instead of makin' me better
You (5) makin' me ill
You keep makin' me ill

Run just as fast as I can
To the middle of nowhere
