## Have You Ever Seen The Rain? by Bonnie Tyler

| Someone told me (1)             | ago     |                             | inrough the circle (6)_      | and slow  |
|---------------------------------|---------|-----------------------------|------------------------------|-----------|
| There's a calm before the storm |         |                             | I know                       |           |
| know                            |         |                             | And it can't stop, I wond    | er        |
| And it's been (2)               | for (3) | time                        | I wanna know                 |           |
| When it's over so (4)           | say     |                             | Have you ever seen the       | rain?     |
| t'll rain a sunny day           |         |                             | I wanna know                 |           |
| now                             |         | Have you ever seen the rain |                              |           |
| Shining down like water         |         |                             | Coming down on a sunny day?  |           |
| wanna know                      |         |                             | Yeah                         |           |
| Have you ever seen the rain?    |         |                             | Yeah!                        |           |
| wanna know                      |         |                             | I wanna know                 |           |
| Have you ever seen the rain     |         |                             | Have you ever seen the rain? |           |
| Coming down on a sunny day?     |         |                             | I (7) know                   |           |
| Yeah!                           |         |                             | Have you ever (8)            | the rain  |
| Oh, yeah!                       |         |                             | Coming down on a sunny day?  |           |
| Yesterday and days before       |         |                             | Have you ever seen the rain? |           |
| Sun is cold and (5) is hot      |         |                             | Have you ever (9)            | the rain? |
| know                            |         |                             |                              |           |
