

Fill in the gaps

I guess it's funnier (1) (2) you're	Behind the glass
standing	Go ahead and laugh
'Cause from over here I've (3) the joke	'Cause it's funny
Cleared the way for my crash landing	I (12) too if I saw me
I've done it again	I'll be (13) clown
Another number for your notes	On your favorite channel
I'd be smiling if I wasn't so desperate	My life's a circus, circus
I'd be (4) if I had the time	Rounding circles
I could stop and (5) all of your questions	I'm selling out tonight
As soon as I find out	From a distance my (14) is simple
How I could (6) from the back of the line	From a (15) I can entertain
I'll be your clown	So you can see me I put make-up on my face
Behind the glass	But there's no way you can feel it
Go ahead and laugh	From so far away
'Cause it's funny	I'll be your clown
I would too if I saw me	Behind the glass
I'll be your clown	Go ahead and laugh
On (7) favorite channel	'Cause it's funny
My life's a circus, circus	I would too if I saw me
Rounding circles	I'll be your clown
I'm selling out tonight	On your favorite channel
I'd be less angry if it was my decision	My life's a circus, circus
And the money was (8) rolling in	Rounding circles
If I had more than my ambition	I'm selling out tonight
I'll have (9) to please	
I'll have (10) to thank you as (11) as I	
win	
I'll be vour clown
