## Angel Of The Morning by Juice Newton

There'll be no (1) to bind your hands	Just call me angel of the (7) angel
Not if my love can't bind your heart	Just touch my cheek (8) you leave me, baby
There's no (2) to take a stand	Just call me angel of the morning angel
For it was I who chose to start	Then slowly turn away, I won't beg you to stay with me
I see no need to (3) me home	Through the tears of the day, of the years, baby
I'm old enough to face the dawn	Just call me angel of the morning angel
Just call me angel of the morning angel	Just touch my cheek before you leave me, baby
Just touch my (4) before you leave me, baby	Just call me angel of the morning angel
Just call me angel of the morning angel	Just touch my cheek before you leave me, darling
Then slowly turn away from me	Just call me angel of the morning angel
Maybe the sun's light will be dim	Just touch my cheek before you leave me, darling
And it won't matter anyhow	
If morning's echoes say we've sinned	©EMI BLACKWOOD MUSIC INC.
Well, it was what I (5) now	
And if we're (6) of the night	
I won't be blinded by the light
