

Fill in the gaps

I know It's hard, I (1) it too	Before the battle begings
So don't bother faking	And until It's through
It doesn't matter what troubles you	I'm like a barricade
I will help you take it	In between anything and you
Here (2) the rain I (3) you	So no matter how far
Till the storm is ended	Whatever it takes
Fired as arrows, words untrue	You will make it
But I'll defend miss pitiful, you're so beautiful	Through the day
I'm a (4) on, fall on me	I'm (12) barricade
Fall on me	I, I, I'm your barricade
Before the battle begings	I, I, I'm your barricade, barricade
And (5) It's through	I, I will be (13) barricade
I'm like a barricade in between	I'm your barricade
Anything and you	As the (14) drop
So no matter how far	You won't feel a thing
Whatever It takes	I can (15) it
You will make it (6) the day	You (16) make it through the day
I'm your barricade	I (17) be your barricade
Before the battle begings	I will be your barricade
And until It's through	I will be your barricade (I will be your barricade
I'm like a barricade	Before the battle begins
In between anything and you	And until it's through
So no (7) how far	I'm like a barricade
Whatever it takes	In (18) anything and you
You will (8) it (9) the day	So no matter how far
I'm your barricade	Whatever it takes
Love is too real for a fairy tale	You will (19) it through the day
Soon (10) after	I'm (20) barricade
Time is a healer	I, I, I'm your barricade
But I won't fail	I, I, I'm your barricade, barricade
To be with you faster (11) Pitiful	I,I (21) be your barricade!
You're so beautiful	I am (22) barricade
I'm a ligth on, fall on me
