

Fall on me

## Fill in the gaps

I know it's hard, I feel it too	Before the battle begings
So don't bother faking	And until It's through
It doesn't matter what (1) you	u I'm like a barricade
I will help you take it	In between anything and you
Here from the rain I shelter you	So no matter how far
Till the storm is ended	Whatever it takes
Fired as arrows, (2) untrue	You (7) make it
But I'll defend miss pitiful, you're so beautiful	Through the day
I'm a ligth on, fall on me	I'm your barricade
Fall on me	I, I, I'm your barricade
Before the battle begings	I, I, I'm your barricade, barricade
And until It's through	I, I will be your barricade
I'm like a barricade in between	I'm your barricade
Anything and you	As the boms drop
So no (3) how far	You won't feel a thing
Whatever It takes	I can take it
You will (4) it (5) the	e day You will make it through the day
I'm your barricade	I (8) be your barricade
Before the battle begings	I will be your barricade
And (6) It's through	I (9) be your barricade (I will be your barricade)
I'm like a barricade	Before the battle begins
In between anything and you	And until it's through
So no matter how far	I'm like a barricade
Whatever it takes	In between anything and you
You will make it through the day	So no matter how far
I'm your barricade	Whatever it takes
Love is too real for a fairy tale	You will make it (10) the day
Soon over after	I'm your barricade
Time is a healer	I, I, I'm your barricade
But I won't fail	I, I, I'm your barricade, barricade
To be with you faster Miss Pitiful	I,I will be your barricade!
You're so beautiful	I am your barricade
I'm a ligth on, fall on me
