

## Fill in the gaps

## Rolling In The Deep (Cover) by Maddi Jane

There's a fire starting in my heart		Rolling in the deep	
Reaching a (1)	pitch and it's bringing me out the	You had my heart inside your hand	
dark		And you played it to the beat	
Finally, I can see you crys	stal clear	Throw your soul (19)	every open door
Go ahead and (2) me out and a I'll lay		Count your blessings to find what you look for	
(3) (4) bare		Turn my sorrow into treasured gold	
See how I'll (5)	with (6) piece of	You'll pay me back in kind	
you		And reap (20) what you've sown	
Don't underestimate the (7) that I will do			
There's fire starting in my heart		We (21) have had it all	
Reaching a fever pitch and it's bring me out the dark		We could have had it all (all)	
The scars of your love remind me of us		It all, it all, it all	
They keep me (8) that we almost had it		We (22) have had it all	
all		Rolling in the deep	
The scars of (9)	love, (10)	You had my heart (23)	your hand
(11) me breathless		And you (24) it to the b	peat
I can't (12) fee	ling	We could (25) had it all	
We could have had it all		Rolling in the deep	
Rolling in the deep		You had my heart (26)	your hand
You had my heart (13) your hand		But you played it	
And you played it to the beat		You played it	
Baby, I have no story to be told		You played it	
But I've heard one on you		You played it to the beat	
And I'm gonna make your	head burn		
Think of me in the depths	of you despair		
Make a home down there	as mine sure won't be shared		
The (14) of	your love (15) me of		
us			
The keep me thinking that	t we (16) had it all		
The scars of you love, (	17) (18) me		
breathless			
I can't help feeling			
We could have had it all
