Fill in the gaps

Everything You Didn't Do by Jamie Cullum

I will meet you in the city	Everything you didn't do
When it's lit up by the stars	Standing right in (5) of you
In the moonlight we're all pretty	I don't even (6) what to say
'Cause it papers all the scar	About every little thing
Ever feel like you belong	'Cause I'm tired and I want to go to sleep
To a story you ain't heard	It's so clear now
Doesn't matter if it's your song	It's so clear now
And you don't know all the words	It's so clear now
We should put up the sun	It's so clear now
We are (1) of all you can see	It's so clear now
We've got nothing but time	It's so clear now
You'll find everything you didn't do	That you'll find everything you didn't do
Everything you didn't do	(Don't give up because you wanna know)
Standing right in front of you	(Don't give up)
But euphoric combination	Everything you didn't do
Of a (2) hands	(Don't give up because you (7) know)
There's no need for complication	(Don't give up)
On the shoulders we would stand	Everything you didn't do
It's a patient exploration	(Don't give up because you wanna know)
Where discovery is free	(Don't give up)
There's no need for explanations	Everything you didn't do
We exist where we can see	(Don't (8) up because you (9) know)
We should put up the sun	(Don't give up)
We are citizens of all you can see	Standing right in front of you
We've got nothing but time	
You'll (4) everything you didn't do
