

## Fill in the gaps

#### Everything You Didn't Do by Jamie Cullum

I will (1) you in the city		Everything you didn't do	
When it's lit up by the stars		Standing right in front of you	
In the moonlight we	e're all pretty	I don't (9) (10)	(11) to say
'Cause it papers all the scar		About every (12) thing	
Ever (2) like you belong		'Cause I'm tired and I (13) to go to sleep	
To a (3)	you ain't heard	It's so (14) now	
Doesn't matter if it's	s (4) song	It's so clear now	
And you don't know all the words		It's so (15) now	
We should put up t	he sun	It's so clear now	
We are citizens of	all you can see	It's so clear now	
We've got nothing	but time	It's so (16) now	
You'll (5)	_ everything you didn't do	That you'll find (17)	you didn't do
Everything you didn't do		(Don't give up because you wanna know)	
Standing right in front of you		(Don't give up)	
But euphoric combination		Everything you didn't do	
Of a (6)	dirty hands	(Don't (18) up because	you wanna know)
There's no need for complication		(Don't give up)	
On the shoulders we would stand		Everything you didn't do	
It's a patient exploration		(Don't give up because you wanna know)	
Where discovery is free		(Don't (19) up)	
There's no need for explanations		Everything you didn't do	
We (7)	where we can see	(Don't give up because you (20)_	know)
We should put up the sun		(Don't (21) up)	
We are citizens of all you can see		Standing (22) in (23	3) of you
We've got nothing	but time		
You'll (8)	_ everything you didn't do
