Fill in the gaps

The House That Built Me by Miranda Lambert

I know they say	I thought if I could touch this (13) or feel it
You can't go home again	This (14) inside me
I (1) had to (2) back one last time	Might start healing
Ma'am I know	Out (15) its like I'm someone else
You don't know me from Adam	I thought that maybe I could (16) myself
But (3) handprints on the front steps are mine	If I could just come in I swear (17) leave
And up (4) stairs	Won't take nothing but a memory
In that (5) back bedroom	From the house that
Is (6) I did my homework	Built me
And I learned to play guitar	You leave home
And I bet you didn't know	You (18) on
Under that live oak	And you do the best you can
My favorite dog is buried in the yard	I got lost in this (19) world and forgot
I thought if I (7) touch this (8) or	Who I am
feel it	I thought if I (20) (21) this place or
This (9) inside me might start	feel it
healing	This (22) inside me
Out here its like I'm someone else	Might start healing
I thought that maybe I could find myself	Out here its like I'm someone else
If I could just come in I swear (10) leave	I thought that maybe I could find myself
Won't take nothing but a memory	If I could walk around I swear I'll leave
From the (11) that	Won't take nothing but a memory
Built me	From the (23) that
Mama cut out pictures of houses for years	Built me
From 'Better Homes and Garden' magazines	
Plans were drawn and (12) poured	
And nail by nail and board by board	
Daddy gave life to mama's dream
