

Fill in the gaps

We, the people (1)	for our existence	On the wrong side of his bed	
We don't claim to be perfect		And it (7) don't matter now	
But we're free		'Cause little by little	
We dream our dreams alone		We gave you everything	
With no resistance		You ever dreamed of	
Fading (2) the	stars we wish to be	Little by little	
You know I didn't mean		The wheels of your life	
What I just said		Have slowly fallen off	
But my God woke up		Little by little	
On the (3) side of his bed		You have to give it all in all your	life
And it just don't matter no	W	And all the time	
'Cause little by little		I just ask (8) wh	у
We gave you everything		You're really here	
You ever (4) of		(Hey)	
Little by little		Little by little	
The (5) of your life		We gave you everything	
Have slowly fallen off		You ever dreamed of	
Little by little		Little by little	
You have to give it all in all your life		The wheels of your life	
And all the time		Have slowly (9)	off
I just ask myself why		Little by little	
You're really here		You had to give it all in all your life	
True perfection has to be imperfect		And all the time	
I know that sounds foolish, but it's true		I just ask myself why	
The day has come		You're really here	
And now you'll have to accept		Why am I really here?	
The life inside your head we give to you		Why am I (10) h	ere?
You (6) I didn'	t mean		
What I just said			
But my God woke up
