

But my God woke up

Fill in the gaps

We, the (1)	fight for our ex	istence	On the wrong (13)	of his bed
We don't claim to be perfect			And it just don't matter now	
But we're free			'Cause (14)	_ by little
We dream our (2) alone			We gave you everything	
With no resistance			You ever (15)	of
Fading like the stars we wish to be			Little by little	
You know I didn't mean			The wheels of your life	
What I just said			Have (16)	fallen off
But my God (3) up			Little by little	
On the wrong side of his bed			You (17) to give it all in all your life	
And it just don't (4) now			And all the time	
'Cause little by little			I just ask myself why	
We gave you everything			You're (18)	here
You (5) (6)	0	f	(Hey)	
Little by little			Little by little	
The wheels of your life			We gave you everything	
Have (7)	(8)	_ off	You ever dreamed of	
Little by little			Little by little	
You have to give it all in all your life			The wheels of your life	
And all the time			Have slowly fallen off	
I just ask myself why			Little by little	
You're really here			You had to give it all in all your life	
True perfection has to be imperfect			And all the time	
I know (9) sounds foolish, but it's true			I (19) ask (20) why	
The day has come			You're (21)	here
And now you'll (10) to accept		Why am I (22)	here?	
The life inside (11) head we (12) to you			Why am I really here?	
You know I didn't mear	1			
What I just said
