

But my God woke up

Fill in the gaps

We, the (1)	(2)	for our existence	On the wrong side of his bed		
We don't claim to be perfect			And it just don't matter now		
But we're free			'Cause little by little		
We (3)	our dreams alone		We (14) you everything	(14) you everything	
With no resistance			You ever dreamed of		
Fading (4) the stars we wish to be			Little by little		
You know I didn't mean			The (15) of your life		
What I just said			Have (16) fallen off		
But my God woke up			Little by little		
On the (5) side of his bed			You have to give it all in all (17) life		
And it just don't (6) now			And all the time		
'Cause (7) by little			I just ask myself why		
We gave you everything			You're really here		
You ever dreamed of			(Hey)		
Little by little			Little by little		
The wheels of (8) life			We gave you everything		
Have slowly (9) off			You (18) dreamed of		
Little by little			Little by little		
You have to give it all in all your life			The (19) of (20)	life	
And all the time			Have slowly fallen off		
I just ask (10) why			Little by little		
You're (11) here			You had to give it all in all (21) life		
True perfection has to be imperfect			And all the time		
I know that sounds foolish, but it's true			I just ask myself why		
The day has come			You're (22) here		
And now you'll have to accept			Why am I really here?		
The life inside your head we give to you			Why am I (23) here?		
You (12)	I didn't mean				
What I (13)	said
