Little by Little by Casis

We, the people fight for our existence

We don't (1) to be perfect
But we're free
We dream our dreams alone
With no resistance
Fading like the stars we wish to be
You know I didn't mean
What I just said
But my God woke up
On the wrong side of his bed
And it just don't matter now
'Cause little by little
We gave you everything
You ever dreamed of
Little by little
The wheels of your life
Have slowly fallen off
Little by little
You have to give it all in all your life
And all the time
I just ask myself why
You're (2) here
True perfection has to be imperfect
I (3) that sounds foolish, but it's true
The day has come
And now you'll have to accept
The life inside (4) head we give to you
You (5) I didn't mean
What I just said
But my God woke up
