

## Fill in the gaps

I'm in the business of misery, let's take it from the top	Whoa, it was never my intention to brag
She's got a (1) like an hourglass that's ticking like a	To steal it all (15) from you now
clock	But God, does it (16) so good
It's a matter of time before we all run out	'Cause I got him where I want him right now
But when I thought he was mine she caught him by the mouth	And if you could then you (17) you would
I waited eight long months, she (2) set him	'Cause God, it (18) feels so
free	It just feels so good
I told him I couldn't lie, he was the only one for me	I watched his wildest dreams come true
Two weeks and we caught on fire	And not one of them (19) you
She's got it out for me but I wear the biggest smile	Just watch my (20) dreams come true
Whoa, I never meant to brag	Not one of (21) involving
But I got him where I want him now	Whoa, I never (22) to brag
Whoa, it was never my intention to brag	But I got him where I want him now
To steal it all away from you now	Whoa, I never (23) to brag
But God, (3) it feel so good	But I got him where I (24) him now
'Cause I got him (4) I want him now	Whoa, it was (25) my intention to brag
And if you could then you (5) you would	To steal it all away from you now
'Cause God, it just (6) so	But God, does it feel so good
It just feels so good	'Cause I got him where I want him now
Second chances they don't ever matter, people never change	And if you (26) then you know you would
Once a whore, you're nothing more, I'm sorry, that'll never	'Cause God, it just feels so
change	It just (27) so good
And about forgiveness we're both (7) to	
have exchanged	
I'm sorry (8) but I passed it up, now look	
(9) way	
Well there's a (10) (11) girls	
who do it just like you	
Looking as (12) as	
(13) to get to who (14) want	
And what they like, it's easy if you do it right	
Well I refuse, I refuse!	
Whoa, I never meant to brag	
But I got him where I want him now
